

# Partners in Praise Girls Alumnae Choir

## Rehearsal Schedule

Please make it a priority to be at as many rehearsals as your schedule allows. We know not everyone will be able to make all the rehearsals, but any rehearsal time we have together will be very valuable. If you cannot come to a rehearsal, please practice at home with the sound files and sheet music found on the Alum Website.

Rehearsal will take place at two different locations, either Peace or Bethlehem. The rehearsals highlighted in blue will be at Peace and the ones in green will be at Bethlehem.
